## INCREASE YOUR BOTTOM LINE    DECREASE YOUR CARBON FOOTPRINT

### ▶ ABOUT OHR ENERGY

Based in Southern California, the Otto H. Rosentreter Company (OHR Energy) is an energy development company and a design-build engineering construction firm, specializing in distributed generation projects including energy storage, biogas & renewable cogeneration/fuel cell projects. With more than 55MW and 65 systems installed, we are California's most experienced biogas, fuel cell and cogeneration EPC installer.

### ▶ SERVICES PROVIDED

- Turnkey Design/Build
- Feasibility Studies
- Project Management
- Installation
- Operations
- Maintenance
- Repair
- Financing

OHR Energy will work with you to provide project financing and find federal and state incentive programs which can significantly offset the cost of your distributed energy installation.

### ▶ POWER PURCHASE AGREEMENTS

A Power Purchase Agreement (PPA) is a legal contract between an electricity generator and a power purchaser. PPAs can help to decrease your energy costs without requiring a large capital payment. As your PPA provider, OHR Energy will secure funding for your project, maintain and monitor the energy production, and sell the energy to you at a negotiated price that provides a savings compared to your current utility costs for the term of the contract.

- purchase the system;
- extend the contract; or
- have OHR Energy remove the equipment from your facility.

### Economic Benefits:

- Reduced energy costs
- Federal and state tax credits and rebates
- Independence from the power grid
- Protection from unpredictable utility rate increases

### Environmental Benefits:

- Fuel efficiency: 47% - 80%
- Lower emissions
- Reduction in environmental damage
- Fuel flexibility resulting in renewable energy

### INDUSTRIES

- Hospitality
- Manufacturing Plants
- Food and Beverage Processing
- Wastewater Treatment Plants /Landfills
- Colleges/Universities
- Hospitals/Prisons
- Office Buildings/Data Centers/Laboratories
- Cities/Counties/Municipalities
- Dairies/Cheese Plants
- Any facility that operates 24/7
